A culture of disseminating the best practices and of quick and easy access to the information within the organization

BCP – Implementation Workflow

October 21, 2011   Allevo Esfera   4

Benefits

➢ Allevo is ISO 9001:2000 certified since 2002 by Moody International. **Esfera** has represented the key to the success of the implementation and management of its Quality System

➢ Allevo has gained experience regarding the quality management systems (ISO 9001:2000, ABM, CMMI), security management, business continuity and disaster recovery

➢ **Esfera** can be easily adapted to the profile of each organization

➢ The duration for implementing the Quality Management System or the Business Continuity and/or Security System decreases considerably and its maintenance is no longer a problem for the organization

➢ With **Esfera**, Allevo ensures consultancy and knowledge transfer

➢ Unlike other products dedicated exclusively to crisis monitoring or quality management system implementation, **Esfera** is an investment with quick return because it can also be used for day-to-day activities, both for monitoring inside activities and for the customer/business partners relationship management.
